

Mine Suppliers Online

MSO is a user-friendly directory that provides businesses, like yours, with ultimate exposure to key mining industry decision makers for 12 months.

WHY LIST YOUR BUSINESS THROUGH MSO?

1. Mine sites have reliably sourced goods and services through our directories online (MSO) for almost a decade.
2. Advertisers and end users both benefit from MSO's comprehensive, inexpensive and easy-to-use database.
3. It is promoted regularly through The Australian Mining Review newspaper and dedicated social media feeds.
4. With more than 1300 categories – from workshop supplies through to high-end consultancy services – MSO is the most complete directory of goods and services to the Australian resources industry.

All Packages include setup and 12 months promotion.
